**TAMARACK PARTNERS WITH THE IDAHO HOSPITAL ASSOCIATION
TO SHOW APPRECIATION FOR IDAHO'S HEALTH CARE PROVIDERS**

TAMARACK, Idaho (July 6, 2020) – Tamarack Resort is partnering with the [Idaho Hospital Association](#) (IHA) to show appreciation for the thousands of Idahoans working in health care on the frontlines of our state's battle against COVID-19.

Recognizing the power of the outdoors to provide relaxation and respite, [Tamarack](#) is offering two complimentary single-day mountain passes good for one year to all those employed by hospitals and medical clinics across the state, including those in administrative, clerical, or other roles.

“Idahoans have all been witness to the care, dedication and excellence those working at our community hospitals and clinics have shown during these unprecedented times,” said Brian Whitlock, Idaho Hospital Association President. “We are grateful for community leaders like Tamarack that recognize the crucial work of these professionals and pay forward kindness with opportunities to recharge in Idaho's great outdoors.”

Starting July 6, any employee of IHA's 47 member hospitals or medical clinics can redeem the free passes for use by themselves or to share with a friend or family member.

“Tamarack appreciates the hard work and endless hours Idaho's front-line health care workers are providing to serve those who have been impacted by COVID-19. This is our way of giving back and offering them some time away to enjoy one of Idaho's majestic mountain playgrounds,” said Tamarack President Scott Turlington.

To redeem their complimentary passes, guests will fill out a form at <https://tamarackidaho.com/idaho-health-care-providers-portal-to-a-pass>, print off the voucher and bring it to the Tamarack ticket desk with their hospital/clinic ID card. Alternatively, guests can show up the day of use with their ID. The two, single-day mountain passes can be used throughout Summer 2020 and the Winter 20/21 ski season.

###

About the Idaho Hospital Association

Since 1933, IHA has been providing voice, value and visibility for Idaho's community hospitals. A statewide, nonprofit association, IHA brings hospital and healthcare leaders together in pursuit of quality healthcare across Idaho. IHA strives to offer members valued resources and services in many areas, including: federal and state policy development and advocacy; quality and patient safety; data analytics; and workforce development.
