Tamarack Realty

As Tamarack Resort's exclusive on-site real estate brokerage, Tamarack Realty's agents have been an integral part of the Resort since 2008. Representing buyers and sellers, Tamarack Realty has tremendous knowledge of the market, significant on-site presence, attention to detail, and passion for the community.

Master Plan

Tamarack Resort sits on approximately 3,600 acres (2,124 state lease land, 1,484 private land) nestled between Lake Cascade and West Mountain. The Resort Master Plan (a Planned Unit Development) is permitted for a total of 2,043 dwelling units, including single-family lots, townhomes, condominiums, hotel and conference facilities. Today, Tamarack is home to 415 homeowners who enjoy the four-season lifestyle in the Payette River Mountains Region.

Homeowner Benefits

Ownership at Tamarack Resort is made easy with services being offered both by Tamarack Municipal Association and Tamarack Resort, including homeowner exclusive events and full-service property management services.
