**TAMARACK GIVES FAMILIES BOUNDLESS PASS PRICE RELIEF**  
**Early-bird pricing for 2022/23 provides 25% discount**

**TAMARACK**, Idaho (February 28, 2022) — Tamarack Resort is providing price relief to skiing and riding households by reducing the cost of its 2022/23 Family [Boundless Pass](#). Families can take advantage of early-bird pricing now through April 3.

“We know Idahoans are experiencing rising costs in all areas of their lives; no households or businesses are exempt. With that in mind, we want to offer inflation-proof, family-pass pricing as well as discounted options for those early birds already looking forward to next season,” said Tamarack President Scott Turlington.

In addition to the price reduction in family passes, most other individual passes are now available at the same prices as last year. All skiers and riders can save 25% if they buy a Boundless Pass by April 3.

<b>Boundless Pass</b>	<b>March 1-April 3</b>	<b>After April 3</b>

Boundless Passes provide year-round lift access for skiing, snowboarding, hiking and biking seven days a week, plus summertime lake activities. Passholders also receive Sports School, retail, rental and tuning discounts as well as early lift access and event opportunities. Those buying a pass for the first time will be able to use it for the rest of the current ski season.
